The Biopharma & Life Sciences Stage

Times	Name	Topic
10.15-10.20	Sylvia McCarthy, Group Events Director, Premier Publishing and Events	Welcome and Opening Remarks
10.20-10.40	David Buckley, R&D Manager, Leyton Ireland	R&D Corporation Tax Credits
10.40-11.00	Darragh Gaffney, Director of Growth & Sustainability, IRDG Innovation Network	Leveraging the Irish Triple Helix Innovation Model
11.00	Audience Participation: Slido Interactive Poll	
11.00-11.20	Patricia Quane, Chair, Expert Group on Future Skills Needs(EGFSN) for Biopharma Industry	'Please Mind the Gap': Bridging BioPharma Jobs & Future Talent
11.20-11.40	Damian Costello, Head of Life Sciences & Technology, Expleo Group	The Trade Secret Digital Vendors Don't Want Manufacturers To Know
11.40-12.00	Olive O'Neill, Senior Validation Engineer, Gilead	Transforming Validation: Unlocking Efficiencies Through Kneat Gx Electronic Validation – A Case Study from Gilead Sciences
12.00	Audience Participation: Slido Interactive Poll	
12.00-12.40	Moderator: Padraig Hyland, Co-Founder and CEO, The Core Story Panellists: Susan Costello, Network Director, BioPharmaChem Skillnet Una Feeney Global Occupational Health and Wellbeing Strategist, Eli Lilly James Ryan, Managing Director, WorkMatters	The Future of Work: Addressing Agility, Growth and Change
12.40-13.10	LUNCH & NETWORKING	
13.10-13.50	Moderator: Matt Moran, Consultant Panellists: Dr Ian Jones, Founder and CEO, Innopharma Group Sean Costello, Technology Director, Innopharma Group Paul Gilson, Senior Director, Eli Lilly and Company	Challenges and Readiness for the Pharma 5.0 Transition
13.50-14.10	Niall Cunneen, Associate Partner, Sia Partners	Irish Biopharma at an Inflection Point
14.10-14.40	Linda Hendy, Standard Development Manager, NSAI Emma Snapes, Founder, Emma Snapes BioConsulting	Unlocking Value: Standards in Biopharma and the Lifesciences
14.40	Audience Participation: Slido Interactive Poll	
14.40-15.00	Padraig Hyland, Co-Founder and CEO, The Core Story	Driving Innovation Through Transformative Storytelling
15.00-15.20	Mark Crosbie, Managing Director and Principal Consultant, Pro-Reliability Solutions Ltd.	Sustainable Development in High Reliability Organisations
15.20-15.40	Anne-Sophie Brès, Product Manager Digital Solutions, Sartorius	Accelerating Digital Transformation in Biopharma: Overcoming Challenges and Embracing Innovation
15.40-16.00	Brian Farrell, Commercial & Tender Director, Veolia Water Technologies Ireland	Water Management in Biopharma & Life Sciences
16.00-16.05	Sylvia McCarthy, Group Events Director, Premier Publishing and Events	Summary and Closing Remarks

Digital Transformation Stage

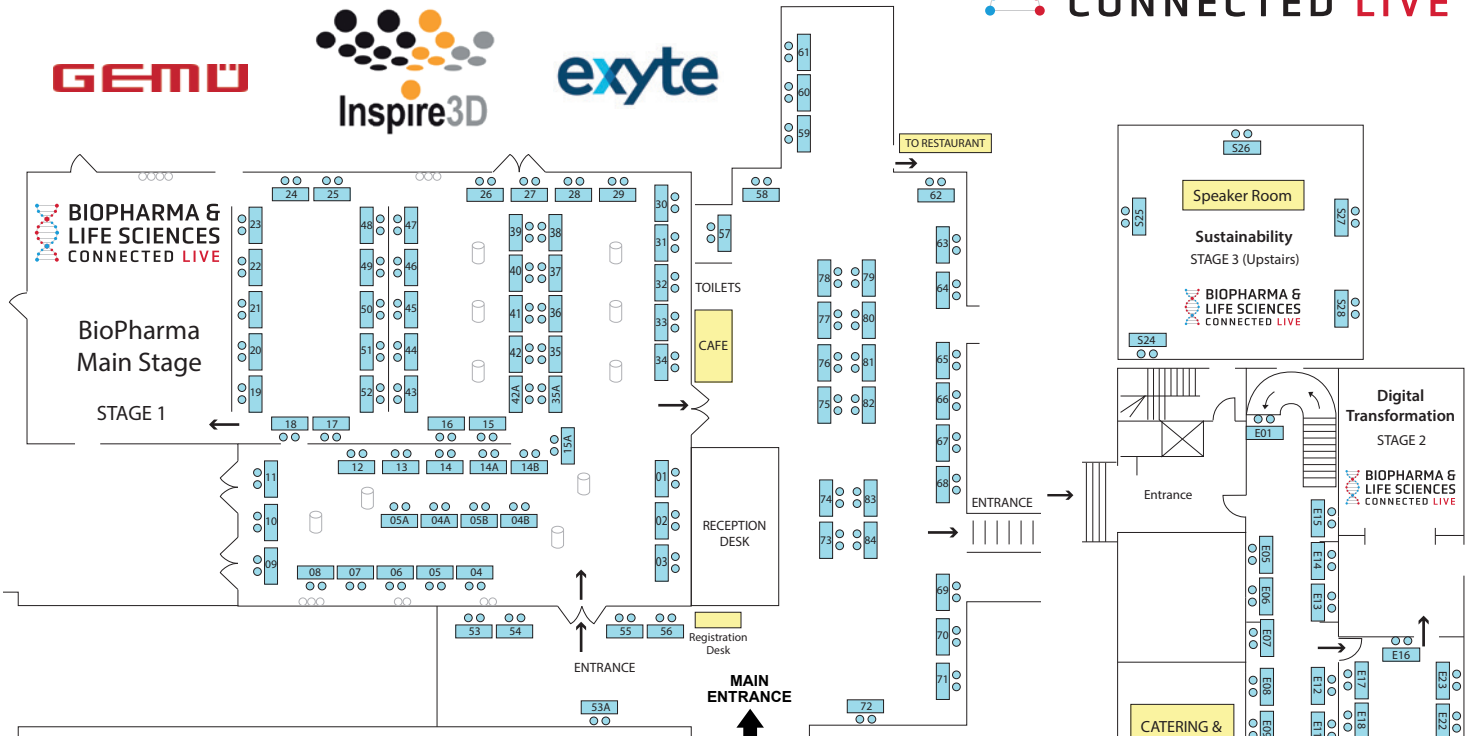

Times	Name	Topic
10.15-10.20	Matthew Scott, Event Manger, Biopharma & Live Sciences Connected Live	Welcome and Opening Remarks
10.20-10.40	JP Kelly, Associate Director, Murphy Geospatial	Digital Twin & Change Management for Life Science Facilities
10.40-11.00	Rory Heffernan, Process Lead Regional SME, Exyte	Using Agentic AI to Simplify Digital Twin Creation and Operation
11.00-11.20	Sebastian Scheler, Managing Director, Innerspace	Fast-Track to Robust Manufacturing: Case-Study from Frame-by-Frame Risk Profiling at Kindeva
11.20-11.50	COFFEE BREAK & NETWORKING	
11.50-12.10	David Doyle, Sales Engineer, Butler Technologies	See What You Can't See and Can't Rear
12.10-12.30	Colin O'Murray, Managing Director, Portakabin	The Science of Space
12.30-12.50	Mike Barrett, Director of Sales & Delivery, Catalyx	Elevating Outsourcing Models: Operational Partnerships Designed to Achieve Strategic Goals
12.50-13.20	LUNCH & NETWORKING	
13.20-13.40	Charley Maxwell, Managing Director & Consultant QP, Orion GXP Consulting Ltd.	How to Effectively Audit New Suppliers and Contractors for Initial Qualification
13.40-14.00	Stanislav Kasakov, Business Development Manager - PAT, Thermo Fisher Scientific	PAT - Thermo Fisher Raman Technology For Real-Time Process Analysis
14.00-14.20	Rick Straw, President & CEO, PACIV Casey Tucker, Global Procurement Manager, PACIV	Improving the Value Stream for Successful Project CQV
14.20-14.40	Barry Jordan, Director, Reliability & Asset Management, SCRI-IS Technologies	Maintenance Digitalisation in Action
14.40-15.00	Ger Carton, Director, PlantQuest	Visualising Success: Overcoming Brownfield Challenges with Data-Driven Asset Management
15.00-15.20	Dr. David B. Jackson, Principal Consultant - Data Strategist, Zifo	Building a Departmental Data Strategy Today, for Tomorrow's Global Success
15.20-15.40	Nicola Rice, Head of Programmes, Innopharma	Future-Ready Biopharma Manufacturing: Navigating Skills Challenges Amidst Industry Transformation
15.40-15.45	Stanislav Kasakov, Business Development Manager - PAT, Thermo Fisher Scientific	Summary and Closing Remarks

Sustainability

Times	Name	Topic
9.55-10.00	Darragh Gaffney, Director of Growth & Sustainability, IRDG Innovation Network	Welcome and Opening Remarks
10.20-10.40	Colin Byrne, Creative Managing Director, TOTEM	Sustainability and Employee Branding
10.40-11.00	Jack O'Grady, Sustainability Programme Manager, My Green Labs	My Green Lab – Moving Forward – A Sustainable Science Future Together
11.00-11.20	Dulan Liyanage, MEng, Market Development Representative, Impact Laboratories/My Green Labs	The Next Steps in ACTivating a More Sustainable Laboratory Supply Chain
11.20-11.40	Darragh Gaffney, Director of Growth & Sustainability, IRDG Innovation Network	Unlock Grant Funding to Subsidise Your Sustainability Goals
11.40-12.00	Robert McNair, Senior Technical Consultant, Leyton Ireland	Sustainability Driving Innovation in BioPharma
12.00-12.20	Damien Munroe, EMEA Integration Director, Control Station Ltd.	Sustainable Manufacturing: Modeling and Optimisation Approaches to PID Controlled Processes and Systems
12.20-12.40	Paul Wann, Business Director, Sustainability and Decarbonisation, Emerson	Data and Automation Simplify and Reward Sustainability in Life Sciences
12.40-13.20	LUNCH & NETWORKING	
13.20-13.40	Adam Pritchard, Technical Sales Specialist, Thermo Fisher Scientific	Advancing Sustainability with Single-Use Bioprocessing Technologies
13.40-14.20	Moderator: Darragh Gaffney, Director of Growth & Sustainability, IRDG Innovation Network Panellists: Damien Munroe, EMEA Integration Director, Control Station Ltd. Adam Pritchard, Technical Sales Specialist, Thermo Fisher Scientific Dulan Liyanage, MEng, Market Development Representative, Impact Laboratories/My Green Labs	Sustainable Pharma
14.20-14.40	Paul Feeney, Sales Manager Ireland, Desotec	Sustainable Purification Solutions
14.40-15.00	Alan Green, Managing Director, Thomson Process Equipment & Engineering	Positive Displacement Pumps – At the Heart of Your Process
15.00-15.20	Sharon Somers, Strategic Customer Success Manager, Masontec	Innovating Calibration: The Force Transfer Method's Role in a Sustainable Future

Digital Transformation 2.0

15.20-15.40	Andreea Vladan, Pharma Business Development, Multivac	Handling of Sensitive Parenteral Products
15.40-16.00	William Pocock, EMEA Technical Sales Manager Lightnin Mixers, SPX FLOW Mixing Solutions	Mixing Technology in Pharmaceutical Applications
16.00-16.05	Darragh Gaffney, Director of Growth & Sustainability, IRDG Innovation Network	Summary and Closing Remarks

Floor Plan

3D Technology	66	Hanley Technology	32	Pro-Reliability Solutions	59
Air Products	04B	Helio Gas Detection	79	Process Facilities Group International PFGI	74
ARQ reliability	16	iEd Hub	18	ProSys Group	76
Antech Solutions	S26	Induchem Components Ltd	30	Protak Scientific	60
Astech Ireland Ltd.	11	Industrial Packaging	62	Pure+ Ltd	S25
Astoriom	15	Innerspace GmbH	26	Rainrocks	82
